## 2010 OUTSTANDING MIDDLE SCHOOL COMPONENT AWARD Nomination Form

The purpose of the Ohio Middle Level Association Component Award Recognition Program is to identify and recognize schools that have implemented middle school concept components in an exemplary manner. It is the intention of OMLA that the recognized programs will serve as models for aspiring educators and provide model resources for schools striving to develop, refine or polish components of their middle schools. Recognized schools are open for visitations and encouraged to give presentations at the annual spring OMLA State Conference.
